The first event of the Commencement Week is the annual Senior Class outing, which will be held Saturday at Bass Lake. It has been customary for many years past for the graduating class to spend a day during Commencement Week at Lake Tahoe, but this year, owing to late opening of the road over the Echo summit, the event is planned to be held at Bass Lake.

On Sunday evening, May 22, at 8 o'clock, the Baccalaureate Service will be held at the school auditorium. The message of the evening will be by the Rev. Rex A. Barron, of the Episcopal church. Other pastors of the community will share in the program, including the Rev. A. Downing, who will speak the invocation; Rev. H. G. Morehouse, who will give the Scripture reading; Rev. WARREN MURDER INQUIRY BARES VIOLENT QUARREL AN HOUR BEFORE SLAYING

Story Of Fifteen-Year-Old Boy Throws Important Light On Case Since Victim Had Collected Rents From Some Of His Houses Earlier On Day Of Crime

where Warren owned a acre or more of low rental homes.

BAKERSFIELD (UP)—Police today questioned a 15-year-old boy who told of hearing a bitter quarrel in the yard of the home of Mathias H. Warren, 73, an hour before the aged father of District Attorney Earl Warren, of Alameda County, was bludgeoned to death with a length of pipe.

The boy told police he heard Warren's voice raised in violent argument with another man. The boy could not say who the second man was or what the dispute was about.

Chief of Police Robert Powers said the boy's story threw an important new light on the case. It was known Warren collected rents the day he was killed from the tenants of some of the many homes he owned in East Bakersfield.

Officers said a trail of letters and documents, apparently tossed away by the slayer as he fled from the Warren home, led 11 blocks to a district

Powers said he was "fairly sure" that certain fingerprints found at the Warren home were those of the slayer. They were being checked against the prints of hundreds of possible suspects.

The chief of police ordered a thorough re-check of the movements of Ralph Meacham, 44, former convict, who was re-arrested for federal authorities immediately following his release yesterday as a suspect in the Warren slaying.

Meacham's second arrest was ordered by Powers on information that a man of Meacham's name and description had been indicted by a Federal Grand Jury in Reno on charges of assault and robbery in connection with the cashing of a stolen government check.

Chief of Police L. P. Gammell informed him, Powers said, that Meacham had been in the custody of Reno police on charges of beating and robbing old people.

"POPPY DAY" WILL BE OBSERVED ON MAY 28TH

Preparations are being made by the two war veterans' auxiliary units in Placerville for the annual "Poppy Day" observance, and May 28 has been designated as that day, not only in Placerville but throughout the country.

The poppies which will be sold by the two groups are made by disabled veterans of the world war and the proceeds of the poppy sale goes for the relief and welfare of veterans and their dependent families.

The American Legion Auxiliary will have members in the business district offering poppies for sale, as will the auxiliary to the Veterans of Foreign Wars. The V. F. W. poppies are known as "Buddy Poppy," a copyrighted name, and a portion of the money raised by the sale of these poppies goes to the men in the hospitals who have helped to make them.

Camera Club Is Being Formed In County

Two Jailed For Robbery Try

Pair Confess, Officers Say; Car Wrecked In Flight From Scene In Bullet Hail

Eddie J. Willis and Garland Evans, arrested Wednesday at Georgetown, are held in the county jail in connection with an attempt at robbery of the store at Balderston's Station Tuesday night to which, officers report, they have confessed.

The pair obtained no loot, being frightened away by an alarm bell which also awakened one of the men about the place, who, when he discovered the pair in flight, fired several shots into the air in an attempt to halt them.

The effect of the shots was to speed the flight of the two with the result they wrecked their car on a curve, abandoned it and spent the night in the open.

Sheriff Smith and Deputy R. W. Jones left early Wednesday morning for Georgetown and spread a net over the vicinity resulting in the arrest of the men when they appeared in Georgetown. Deputy Sheriff Clarence Collins made the arrest and brought the pair to Placerville.

The sheriff reports both of the men have records and that Evans has served time in Washington state prison. He states the two were found in possession of a rifle, but they deny they were armed when they entered the store.

"PONY EXPRESS" AIDS AIR MAIL

Unique Observance Thursday Marks 20th Anniversary Of National Air Mail Service

The "old" and the "new" were linked Thursday in Placerville in a unique observance of Air Mail Week, currently being observed throughout the Nation in observance of the 20th anniversary of the Air Mail Service.

A pouch of air mail letters bearing a special cachet was delivered by Postmaster Joseph Scherrer to W. E. Bowman, representing a Pony Express rider, at the Placerville postoffice at 2 o'clock Thursday afternoon and Bowman delivered the pouch to Jack Gianelli, private aviation pilot, at Placerville airport, from whence Gianelli flew to Sacramento, where the mail was to be turned over to Sacramento postal authorities for distribution through the regular mail channels.

The envelopes bore a special cachet for the occasion, and Bowman and Gianelli were especially commissioned by the postoffice department as mail carriers, to carry out the observance.

Postmaster Scherrer reports that Air Mail Week has resulted in an exceptionally heavy demand for air mail stamps and that the supply of the local postoffice is nearly exhausted.

RICH STRIKE AT GARDEN VALLEY

Safeway Mine In Old Johnstown District Has \$10 Milling Ore In Thirty-Five Foot Tunnel

Reports of a rich strike at the Safeway mine, in Garden Valley, are confirmed by the owner, George B. Rymal.

The property is approximately three quarters of a mile due north of the rich Black Oak mine and on the opposite side of Johnstown creek in the old Johnstown district, which produced rich yields in earlier days.

Some mining men are saying that perhaps the Black Oak ground on one side and the Safeway on the other account for the ore bodies from which the rich Johnstown diggings yields came.

About three weeks ago Mr. Rymal gave Albert Straub a lease and bond on the mine.

Straub started a cut and ran in to cut the ledge, and then ran a tunnel about thirty-five feet when he struck the rich iron oxide ore, a streak about two inches wide and running down through the center of a three-foot ledge.

A sample of the highgrade streak assayed \$1482.74 in gold to the ton. Straub estimated he took out about \$500 in one day. He has taken out about twenty-five tons in running the tunnel. This approximates \$10 ore without the highgrade.

FARM TELEPHONE LINE DEMONSTRATION IN PLACERVILLE

The Pacific Telephone and Telegraph Company opened a three-day special demonstration for farm line telephone users today in the former Telephone Central office, 401 Main Street.

As announced earlier by Manager Hearn of the local office, this "rural telephone clinic" was brought to Placerville for the purpose of assisting farm line telephone users who own and maintain their own lines to obtain free examination of their telephones and receive from company experts points on construction and maintenance of their rural telephone lines and telephone equipment.

The demonstration will continue until Saturday. Visiting hours are from 9 a. m. to 5 p. m. All farm line telephone users who own and maintain their own telephone lines are invited to attend, and to bring in their telephone instruments for free inspection.

With the aid of special testing equipment, telephone technicians will make free examination of instruments to locate trouble, make minor adjustments without charge, and report any additional repairs or replacements needed, Hearn said.

Visitors will be advised, also, on proper methods of pole line construction and maintenance during the demonstration, which closes at 5 p. m. on Saturday.

COOPER AS SOLDIER OF FORTUNE IN FILM AT EL DORADO

Gary Cooper, the screen's most famous soldier-of-fortune, will be seen again in his favorite role when "The General Died at Dawn," a Paramount picture of adventure, romance and intrigue in modern war-torn China, opens today at the El Dorado Theatre.

Having already established himself as filmdom's outstanding portrayal of romantic adventure roles in the French Foreign Legion, the Bengal Lancers and the Italian and American armies, Cooper now comes to the screen as a roving soldier of fortune in modern war-torn China.

Appearing opposite him is beautiful blonde Madeline Carroll in the role of the lure put out by a scheming warlord to trap Cooper.

"College Swing," the new Paramount comedy of high jinx, which will have its first local showing today at the Empire Theatre, hit's the season's high for the number of popular songs written especially for it. The chief of the eight are, "I Fall in Love With You Every Day" and "You're a Natural," by Frank Loesser and Manning Sherwin, and "Moments Like This" and "Howdja Like to Love Me," by Loesser and Burton Lane.

Burns and Allen, Martha Raye and Bob Hope head "College Swing's" all-star cast, which includes Edward Everett Horton, Ben Blue, Florence George and Betty Grable.

Echo Summit Closed To Weekend Travel

The Pony Express Route may be open to travel as far as the Echo summit Sunday, but the probabilities of the road being open from the summit to Lake Valley are not encouraging.

The route is a one-way road from Camp Sacramento to the Summit and it was considered doubtful Thursday that the road could be made two car width for that distance, and cleared of snow on Meyers grade in time for Sunday travel to the lake.

Observers pointed out that the road will benefit by a week of drying out before the heavy travel expected for the Memorial Day weekend.
